

Berwyn Paoli Area Little League is hosting

Challenger Day 2022

May 14th, 2022

Over 350 special needs kids participate in Challenger Day every year. It is always an awesome day of ball games, music, food and fun for players, their families and the volunteers!

The Challenger Division is a program for mentally and physically disabled youth to enjoy the full benefits of Little League participation in an athletic environment structured to their abilities. The goal of the Division is to allow the players to enjoy athletic and social activity strengthening their self-esteem and providing them the opportunity to develop a sense of teamwork and fair play, which are the hallmarks of the Little League program.

Volunteers are needed!

Many hands are needed to make this a special day for our Challenger players and their families. If you are middle school aged or older, please consider volunteering. The event is Saturday, May 14th from 9am to 2pm. Hours for volunteer shifts vary according to duties. See online sign ups for specific times. We need:

- Event setup & cleanup (Friday and Saturday)
- Traffic & parking coordination
- Challenger player "buddies"
- Game directors
